

mogus says what did you do to that woman?

I didn't do nothin to her make her drink.

When we disavow personal moral responsibility we are doing the devil's work,his firm disciple!

when we grow into the role afte so long allowing
it to suck completely round us, we are the devil himself!

Good! Eddie has motive to become devil!

it can't be love if you can't make the person real,
no waycan that be love,but self-love yes!

She was a something once. i don't know. Who gives a shit anymore?
